Mathematica Centrum – Practice Contest Access Guide

This guide explains how to provide your students with access to the practice contests and how to generate their login credentials.

1. Log in to Your Account

Log in to your account at: https://mathematica-test.ca
Use the credentials provided in your email.

2. Generate Student Access

Once logged in:
• Click on "Contests" in the left menu.
• Select the appropriate contest.
• Add students' first and last names.
• Click "Save".
• Use "Generate Username & Password".

Note: You can use the generation button as many times as needed. Only newly added students will receive passwords.

3. Export Student Login Details

Click "Export Student Login Detail" to generate an Excel file.
Each row represents one student.
You must provide each student with:
• Their username
• Their password
• The test link (https://mathematica-test.ca)

4. Important Dates

• Students can begin practicing on March 03, 2026.
• The official live contest will take place on April 15 and 16, 2026.

5. Important Configuration

Make sure to correctly enter:
• Your time zone
• The exact contest start time
