

# Mathematica Centrum

Enriching young minds since 1990

## REGISTRATION FORM 2018 (Please print)

### Section A: School information

Principal (or contact person)

School name

School address (Street)

Town or City

Province

Postal Code

School telephone number

Area Code

### Section B: Registration

Amount

#### 1. Number of participants registered (please write all the numbers in the appropriate spaces)

It is important to clearly show the number of participants that you register in each contest because the **registration fee** (section **B 2**) is established for a maximum of 30 students per contest. For each contest where you register more than 30 students, you must pay \$3.50 for each additional participant. For example, if you register 37 students in the Thales contest, you must write the number 37 in the space at the end of line A and the number 7 (37 - 30) at the end of line B.

- A. Number of participants registered in the **Thales (grade 3)** contest \_\_\_\_\_
- B. Number of additional participants (over 30) registered in the Thales contest \_\_\_\_\_
- C. Number of participants registered in the **Byron-Germain (grade 4)** contest \_\_\_\_\_
- D. Number of additional participants (over 30) registered in the Byron-Germain contest \_\_\_\_\_
- E. Number of participants registered in the **Fibonacci (grade 5)** contest \_\_\_\_\_
- F. Number of additional participants (over 30) registered in the Fibonacci contest \_\_\_\_\_
- G. Number of participants registered in the **Pythagoras (grade 6)** contest \_\_\_\_\_
- H. Number of additional participants (over 30) registered in the Pythagoras contest \_\_\_\_\_
- I. Number of participants registered in the **Euler (grade 7)** contest \_\_\_\_\_
- J. Number of additional participants (over 30) registered in the Euler contest \_\_\_\_\_
- K. Number of participants registered in the **Lagrange (grade 8)** contest \_\_\_\_\_
- L. Number of additional participants (over 30) registered in the Lagrange contest \_\_\_\_\_
- M. Number of participants registered in the **Newton (grade 9)** contest \_\_\_\_\_
- N. Number of additional participants (over 30) registered in the Newton contest \_\_\_\_\_
- O. Total of **additional** participants (line **B** + line **D** + line **F** + line **H** + line **J** + line **L** + line **N**) \_\_\_\_\_
- P. The total cost for additional participants: line O..... x \$3.50

**Total B 1 = \_\_\_\_\_ \$**

continued...

## 2. Registration fee

If your school is participating in only <b>one</b> of the 7 contests, the fee is	110.00\$
If your school is participating in <b>two</b> contests, the fee is	210.00\$
If your school is participating in <b>three</b> contests, the fee is	315.00\$
If your school is participating in <b>four</b> contests, the fee is	420.00\$
If your school is participating in <b>five</b> contests, the fee is	525.00\$
If your school is participating in <b>six</b> contests, the fee is	630.00\$
If your school is participating in <b>seven</b> contests, the fee is	735.00\$
Write in the fee that corresponds to the number of contests for which you are registering	Amount B 2 = _____ \$

### Section C: Questionnaires with detailed solutions

#### 1. Packages of contest questionnaires with detailed solutions (2003 - 2017)

For each contest and for each year, a package including 1 contest questionnaire and one copy of the detailed solutions is available for \$7.00. Please enter the number of packages needed for each contest in the space provided beside each year. Write in the total number of packages and multiply by \$7.00.

Thales (grade 3) 2008....2009....2010....2011....2012....2013....2014....2015...2016...2017...

Byron-Germain (grade 4) 2004..2005..2006...2007..2008..2009..2010..2011..2012..2013...2014...2015...2016...2017...

Fibonacci (grade 5) 2003..2004..2005..2006..2007..2008..2009..2010..2011..2012..2013...2014...2015...2016...2017...

Pythagoras (grade 6) 2003..2004..2005..2006..2007..2008..2009..2010..2011..2012..2013..2014..2015...2016...2017...

Euler (grade 7) 2005....2006....2007....2008....2009....2010....2011....2012....2013....2014....2015....2016...2017...

Lagrange (grade 8) 2005....2006....2007....2008....2009....2010....2011....2012....2013....2014....2015....2016...2017...

Newton (grade 9) 2008....2009....2010....2011....2012....2013....2014....2015....2016...2017...

Total number of packages.....x \$7.00

Total C 1 = \_\_\_\_\_ \$

#### 2. Packages of Pythagoras contest questionnaires with booklet of detailed solutions (1992 - 2000)

Each package includes 9 Pythagoras contests questionnaires and 1 detailed solution booklet (1992 - 2000) and is sold for \$39.95. Write in the total number of packages needed and multiply by \$39.95. These documents (450 problems with solutions) will help you prepare your **grade 3, 4, 5, and 6 students**.

Number of packages..... x \$39.95

Total C 2 = \_\_\_\_\_ \$

Total amount to pay (B 1 + B 2 + C 1 + C 2) = \_\_\_\_\_ \$

**All prices include taxes and shipping & handling costs.** You may send your registration form along with your cheque or money order payable to the "**Mathematics Contest Centre**" and forward to the address below by **November 15, 2017**. You may also send your registration form by fax or e-mail ([cello314@gmail.com](mailto:cello314@gmail.com)).
