Enriching young minds since 1990

REGISTRATION FORM 2025
(PLEASE PRINT)

Section A: School information

Principal (or contact person)

School name

Address (Street)   Town or City

Province   Postal Code

Telephone number with area code   Email

Online Contest ☐   Paper and Pencil Contest ☐

Section B: Registration   **Amount**

1. Number of participants registered (please write all the numbers in the appropriate spaces)

It is important to clearly show the number of participants that you register in each contest because the **registration fee** (section **B 2**) is established for a maximum of 30 students per contest. For each contest where you register more than 30 students, you must pay $3.75 for each additional participant. For example, if you register 37 students in the Thales contest, you must write the number 37 in the space at the end of line A and the number 7 (37 - 30) at the end of line B.

A. Number of participants registered in the **Thales (grade 3)** contest _____

B. Number of additional participants (over 30) registered in the Thales contest _____

C. Number of participants registered in the **Byron-Germain (grade 4)** contest _____

D. Number of additional participants (over 30) registered in the Byron-Germain contest_____

E. Number of participants registered in the **Fibonacci (grade 5)** contest _____

F. Number of additional participants (over 30) registered in the Fibonacci contest _____

G. Number of participants registered in the **Pythagoras (grade 6)** contest _____

H. Number of additional participants (over 30) registered in the Pythagoras contest _____

I. Number of participants registered in the **Euler (grade 7)** contest _____

J. Number of additional participants (over 30) registered in the Euler contest _____

K. Number of participants registered in the **Lagrange (grade 8)** contest _____

L. Number of additional participants (over 30) registered in the Lagrange contest _____

M. Number of participants registered in the **Newton (grade 9)** contest _____

N. Number of additional participants (over 30) registered in the Newton contest _____

O. Total of **additional** participants (line **B** + line **D** + line **F** + line **H** + line **J** + line **L** + line **N**) _____

P. The total cost for additional participants: line O………. x $3.75   **Total B 1 = _____$**

2. Registration fee

If your school is participating in only **one** of the 7 contests, the fee is	**120.00$**
If your school is participating in **two** contests, the fee is	**240.00$**
If your school is participating in **three** contests, the fee is	**360.00$**
If your school is participating in **four** contests, the fee is	**480.00$**
If your school is participating in **five** contests, the fee is	**600.00$**
If your school is participating in **six** contests, the fee is	**720.00$**
If your school is participating in **seven** contests, the fee is	**840.00$**
Write the fee that corresponds to the number of contests for which you are registering	**Amount B 2 = _____$**

Section C: Questionnaires with detailed solutions

1. Packages of contest questionnaires with detailed solutions (2011 - 2019)
For each contest and for each year, a package including 1 contest questionnaire and one copy of the detailed solutions is available for $8.00. Please enter the number of packages needed for each contest in the space provided beside each year. Write in the total number of packages and multiply by $8.00.

Thales (grade 3) 2011…..2012…..2013…..2014…..2015…..2016…..2017…..2018…..2019…..

Byron-Germain (grade 4) 2011…..2012…..2013…..2014…..2015…..2016…..2017…..2018…..2019…..

Fibonacci (grade 5) 2011…..2012…..2013…..2014…..2015…..2016.....2017…..2018…..2019…..

Pythagoras (grade 6) 2011…..2012…..2013…..2014…..2015…..2016.....2017.....2018…..2019…..

Euler (grade 7) 2011…..2012…..2013…..2014…..2015…..2016…..2017.....2018…..2019…..

Lagrange (grade 8) 2011…..2012…..2013…..2014…..2015…..2016…..2017…..2018…..2019…..

Newton (grade 9) 2011…..2012…..2013…..2014…..2015…..2016…..2017…..2018……2019…..

Total number of packages.........x $8.00   **Total C 1 = _____$**

2. Packages of Pythagoras contest questionnaires with booklet of detailed solutions (1992 - 2000)
Each package includes 9 Pythagoras contests questionnaires and 1 detailed solution booklet (1992 - 2000) and is sold for $49.95. Write in the total number of packages needed and multiply by $49.95. These documents (450 problems with solutions) will help you prepare your **grade 5 and 6 students**.

Number of packages........... x $49.95   **Total C 2 = _____$**

Total amount to pay (B 1 + B 2 + C 1 + C 2) = _____$

All prices include taxes and shipping & handling costs. You may send your registration form along with your cheque or money order payable to the **"Mathematics Contest Centre"** to the address below by **November 29, 2024.** You may also send your registration form by e-mail (**cello314@gmail.com**) and pay by e-transfer.
